 (rpt persian 211700) (persian 1800)

83 anon discussing struggle of iranian people against
 imperialist and reactionary forces. the people of iran revolted
 against regime of shah in order to achieve social justice and rid
 themselves of the imperialist yoke. the manifesto of a group of
 iranians' directly responsible for parts of revolution was to end
 capitalism in iran. this was an aim which ayatollah taleqani
 supported wholeheartedly. goes on to say other influential groups
 have trampled such goals. tudeh party denounced a half-baked bill
 supposedly to nationalize imports in iran. imperialists and
 reactionaries in response attacked tudeh party but party continued
 its manly defense of interests of toilers. when bill for
 agricultural reform was rejected tudeh party stepped in to support
 iranian toilers. cites pravda article on propaganda war against
 tudeh party waged in iran by those who support imperialism and
 are afraid of better ties with soviet union. presence of soviet
 union has been a guarantee of iranian independence against
 imperialist aggression. soviet union has always supported
 progressive plans in iran and such support is reflected in party
 slogans aired on 65th anniversary of the party. (7 min: persian
